

A Specialty Patient Experience Reimagined

Calian Patient Support Programs and Community Pharmacies

Why Leading Pharmaceutical Manufacturers Partner with Calian

Calian delivers technology-driven patient support programs (PSPs) that improve adherence, health outcomes and patient satisfaction. By integrating advanced patient solutions with community pharmacy expertise, we provide personalized, convenient, effective care while helping pharmaceutical manufacturers achieve their clinical and commercial goals.

What We Offer

Comprehensive, Full-Service PSPs

We streamline the patient journey from enrollment to adherence and outcome monitoring, ensuring seamless execution aligned with your brand.

Exceptional Care Rooted in Therapeutic Excellence

Decades of experience in oncology, mental health, inflammation & immunology and more, focused on patient-centred solutions.

Smarter Care Starts with Calian[®] Nexi[™]

Nexi is a smart platform that enables real-time care coordination, adherence tracking and pharmacovigilance reporting, reducing errors, optimizing workflows and ensuring compliance.

Access to a National Nurse Network

Our network of highly skilled nurses delivers injections, infusions, phlebotomy and other services—bringing critical treatments closer to Canadian patients and enhancing outcomes.

Community Pharmacies: Innovative Approach to Care

Community pharmacists provide counseling, adherence support and chronic disease management in local settings, enhancing personalized care delivery, convenience and patient choice.

Delivering Value for Patients and Manufacturers

Streamlined Patient Access

Timely access to specialty medications and services, reducing barriers and ensuring equity of care.

Better Patient Outcomes

Personalized care fosters patient engagement, supports patients on their health journeys for better outcomes.

Scalable, Cost-Efficient Solutions

Automation and scalability reduce operational costs while maintaining quality.

Reimagine Patient Care with Us

Calian's innovative PSPs, supported by community pharmacies, improve outcomes, lower costs and deliver measurable success.
