

Calian ResponseReady™

Redefining emergency exercises through immersive, engaging simulations

ResponseReady is an industry-leading platform for exercise design, delivery and evaluation, purpose-built to meet organizational needs and support ongoing exercise programs. This modern-day solution makes exercises *quick, efficient* and *cost-effective* for your organization.

Design

Easily design exercises using user-friendly inject development tools:

- **Exercise wizard** to select and modify pre-developed scenarios for your organization
- **Master events list** editor that supports full customization of exercise content

Deliver

Automate inject delivery or allow your controllers to manually push injects to participants; you have full control of exercise delivery. Your team can access and monitor progress throughout the exercise on a common dashboard. Add, remove, pause or expedite injects to accommodate participant needs during each exercise.

Engage participants in exercise play with interactive tools:

- Simulated social media (Chatter, Chatbook, Chatdeck)
- Simulated traditional media
- Self-contained emails
- Custom web pages
- Participant chat

Evaluate

The ResponseReady evaluation tools are designed to streamline the data collection and analysis process. Identify key findings, formulate recommendations and improve your program with ease.

- The **exercise evaluation tool** allows you to collect data from evaluators and participants during and after the exercise. Analyze results on the tool for use in after-action reports.
- **Calian Live Poll** is an interactive polling tool that allows real-time data collection from an audience. Enhance your hotwash experience with this engaging platform for participants.

Resilience Through Preparedness

The nature of emergencies is changing and the impact on communities and businesses has far-reaching consequences. ResponseReady can help prepare you and your team to handle emergencies by providing the hands-on experience that builds confidence and capability in every role.

Join the countless organizations from around the world that have trusted ResponseReady to host their exercises and exercise programs. Our team is ready to identify the best solution for you.
